Hello friend!

Beyond BASIC Life Skills is proud to announce our 6th Annual “Bash Before the Disc and Beyond the Disc” fundraiser on September 27 & 28, 2024, to benefit the Beyond BASIC Life Skills program. On Friday, September 27th, the Bash Before the Disc will take place at Edmund's Oast Green Space from 4pm-8pm. There will be live music, a silent auction, and hundreds of attendees! On Saturday, September 28th, the disc golf tournament will begin at 8am at Sewee Outpost, where we expect at least 100 attendees.

Beyond BASIC Life Skills assists adults with intellectual disabilities in reaching their full potential and contributing meaningfully to society by providing a program that enables independent living skills. Quite simply, we help our Teammates live beyond the basics!

Our program enhances the quality of life for our amazing Teammates and their families by increasing independence, building confidence, and improving life skills. We hope to continue making a difference for years to come. To accomplish this, however, Beyond BASIC relies upon the generosity of businesses and individuals within our amazing communities. To continue providing quality programming for our Teammates, we need your help! We hope you will consider joining our cause as a sponsor for our "Beyond the Disc" fundraiser event! The attached sponsorship form details the range of sponsorship opportunities available for our community partners as well as more information about our event.

We are incredibly thankful for the support and generosity of individuals and businesses in our community. Together, we can continue providing quality life skills training and inclusive opportunities for individuals with intellectual disabilities in the Tri-County area. All contributions given to Beyond BASIC will go towards supporting our innovative programming or providing needs-based tuition for a Teammate to attend the life skills program. We are a 501(c)(3) organization, and 100% of donations are tax-deductible.

Thank you for your consideration and we sincerely look forward to partnering with you as we strive to improve the lives of our Lowcountry Teammates.

Warmest regards,
